Rule Analysis for Legislative Review

Proposed Rules Relating to Unemployment Insurance Technical Corrections
Chapters DWD 100 to 150
CR 07-009

Basis and Purpose of the Proposed Rules

The proposed rules conform existing rules to 2005 Wisconsin Act 86, which repealed the exclusion of service processing fresh perishable fruits and vegetables in determining eligibility for unemployment insurance. The proposed rules also correct a reference to a statute that was renumbered in 1995 Wisconsin Act 118, relating to a test for independent contractor status.

Public Hearing Summary

No public hearing was required because the proposed rules bring existing rules into conformity with statutes that have been changed.

Response to Legislative Council Staff Recommendations

All comments were accepted.

Final Regulatory Flexibility Analysis

The proposed rules do not affect small businesses as defined in s. 227.114 (1), Stats.
